RE: WILLIAM WALTER REMINGTON

The following information was furnished by Confidential Informant concerning the activity of REMINGTON from February 1st through February 15th, 1946:

February 1, 1946

At 10:22 A. M. BELLA RODMAN asked ANN REMINGTON whether she would be interested in attending a dinner being given Monday night in the Mayflower Hotel for Mrs. BORDEN HARRIMAN, sponsored by the American Society for Russian Relief, at \$6.00 per plate. ANN said she would ask BILL but she doubted that they will go because of the price.

At 11:02 A. M. ANN REMINGTON contacted TISH LEHMAN, a woman, and was advised that the REMINGTONS are expected at 8:30 tomorrow night for a cocktail party and that the following will also be present. GEORGE ST. LOUIS (ph) who has been in Greece for eighteen months and is leaving for China on Monday; Mr. CLAYMAN (ph) and his date; the MURPHYS, two families of them, who are just back from over seas, and is in OPA; SCOTT and JUANITA PAINES (ph), just out of the Navy; the ESKELSONS (ph). He is just out of the Army and is now in Agriculture. It was indicated that TISH'S husband's first name was BOB and during the conversation Mrs. REMINGTON indicated that the REMINGTONs would be present. An attempt was made to cover this party by physical surveillance, which will be pointed out later in this report.

At 4:00 P. M. BILL REMINGTON talked to his wife, ANN who told him that the letter came from Williams College and that his job there will start June 24th. He asked what the schedule was for tonight and tomorrow night and was advised that there was nothing for tonight, but that tomorrow night they are invited to BOB LEHMAN'S about 8:30 or 9:00 P. M. ANN indicated that she will have to attend a tea for the new teacher tomorrow afternoon and BILL is invited but states that he can not attend. He indicated that they had been invited to CHARLES J. HITCHS next Friday for dinner and instructed ANN to call NANCY HITCH at Michigan 5159.

February 3, 1946

At 5:07 P. M. BILL REMINGTON contacted MURIEL BIDDICUM (ph) at Dupont 1693, Apartment 204, and asked if the address 2601 Calvert Street was near the Shoreham Hotel and when assured that it was, he stated that he would be there in half an hour.

February 4, 1946

CORA, while in conversation with ANN REMINGTON, asked ANN to substitute for Mrs. KAPPY and indicated that HELEN KNOWLTON had dropped out.

At 5:52 P. M. BILL REMINGTON in conversation with his wife, ANN, indicated they are having lunch with MURIEL BIDDICUM at 1:00 o'clock the next day.

February 5, 1946

At 7:50 A. M. BILL REMINGTON called NANCY and asked for CHARLIE. BILL told CHARLIE that he wanted to give the latter some information before the meeting this morning. They then discussed the cost of manufacturing shirts. BILL said that BYRON MILLER'S wife disagrees with their figures. CHARLIE indicated that he was unable to get back to BAKER last night, but that he had been called to BISEL'S office and BAKER told him that ROSENTHAL would get him that information.

February 6, 1946

At 10:18 A. M. LUCY RAUN (ph) called ANN REMINGTON to say she had met with the Admissions Committee the other night about JULIA HOLBROOK and her enrollment without payment until April first, due to illness. This is OK with ANN.

February 13, 1946

At 10:15 A. M. JOAN REDMONT called ANN REMINGTON, the latter indicating they went to the movies last night. JOAN indicated her husband is leaving in March for Argentina and wonders what effect the Blue Paper issued by the United States regarding Argentina would have on their plans. JOAN said she wanted to get together with the REMINGTONS and the BOB CLAYMANS (ph). JOAN indicated that she and her husband would come to the REMINGTONS on Friday, February 22nd, and will bring BOB CLAYMAN with them. She indicated that it is rumored that CLAYMAN wants to go to Moscow since he apparently knows Russian. ANN indicated she will also invite the WARD ALLENS. The latter is with the State Department and just returned from Uruguay.

At 12:17 A. M. ANN REMINGTON called MIDGE ALLEN and invited her and her husband to come over the following afternoon about 3:00 o'clock. She then invited them for dinner February 22nd and advised that the REDMONTS, who are bound for Argentina, will be there. ANN suggested that MIDGE bring their pictures of Montevideo.

February 14, 1946

At 4:30 P. M. ANN contacted BOB KLEIMAN (hereinbefore spelled "CLAYMAN" (ph)) at District 2900 and invited him for dinner Friday, February 22nd.

February 15, 1946

At 4:30 P. M. JOAN told ANN REMINGTON that she heard from SYL (ph) this afternoon and his plane will arrive at 1:30 A. M. He would have been here this afternoon but the plane was grounded. JOAN then told ANN that the MAGNUSSONS can not come tonight until 8:30 so asked the REMINGTONS to come for dinner. ANN accepts the invitation and stated they would be there at 7:30 P. M.

PHYSICAL SURVEILLANCE

February 2, 1946

The following surveillance was conducted by Special Agents JOHN E. ALLMON, JR. and W. ALBERT STEWART, JR., which was instituted at 6:30 P. M. near the residence of WILLIAM WALTER REMINGTON, No. 11 Tauxemont Road, Alexandria, Virginia.

At 8:30 P. M. REMINGTON and his wife entered their automobile, a 1940 Plymouth Four Door Black Sedan, Virginia License No 465-822, and drove through Washington, D C to 8436 Piney Branch Apartments, which is on Manchester Road and north of Piney Branch Road in Silver Spring, Maryland. This was determined to be the address of ROBERT S. LEHMAN, whose Studebaker Sedan, Maryland License 317-627 was noted parked in the vicinity. The REMINGTONS entered the apartment at 9:15 P. M. and the only other parties observed entering the apartment were noted at 9:20 P. M. They arrived in a 1937 Chevrolet Coupe, License Number 119-539, D. C. tags, which were listed to HENRY E. ROBINSON, 2934 Chesapeake Street, NW. No other individuals were observed during the evening, however, it was noted that in the foregoing paragraphs under date of February 1, 1946, it was indicated that several other persons were in attendance and their names have previously been set out.

RE: WILLIAM WALTER REYNOLDS

The following information was furnished by Confidential Informant [REDACTED] concerning the activities of REYNOLDS from February 19 through February 28, 1946:

On February 15, 1946, JANE HANNER contacted ANN REYNOLDS and advised that she had heard from PHIL HANNER and that his plane will arrive at 1:30 a.m. on February 16, 1946. She also advised that the MAGNUSONS could not come tonight until about 8:30 and she invited the REYNOLDS to come for dinner and then they could all leave together from JANE'S house at about 8:45. ANN advised JANE that she and the subject would be there for dinner about 7:30 if they could get a sitter.

On February 16, 1946, JANE HANNER contacted BILL REYNOLDS. She told him that she would like for someone to take her to Alexandria or to Washington inasmuch as she was stranded. She advised him that PHIL has been working with BILL and CHARLIE over at the DAVENPORTS. She added that PHIL HANNER came in last night and that she had met him at 2 a.m. at the airport. REYNOLDS advised JANE that he would call BING to see if he could accommodate her.

On the same date the subject contacted BING at BOB DAVENPORT'S home and asked him about driving JANE to Alexandria.

On February 18, 1946, ANN REYNOLDS called JANE [REDACTED], and invited her over to dinner on the 19th of February. JANE advised ANN that her husband had finally gotten to Tokyo.

On February 19, 1946, ANN REYNOLDS contacted BILL REYNOLDS and conversed about holding square dances on Fridays instead of Saturdays. He said that they have the EDWARDS, the ALLENS, the WELLS EYERS (phonetic), the KLEINBERGS and the DAVENPORTS, and that they may also get the FREDRICKSONS (phonetic) and the MIT BROWNS. They may also get JANE HANNER. During the conversation they decided to postpone the square dance until next week.

On February 20, 1946, subject contacted ANN REYNOLDS and told her that he was expecting PEGGY O'NEILL from New York and inquired if it would be okay to bring her along for dinner that night.

On the same date BILL REYNOLDS contacted ANN GRANO (phonetic) and asked her if she knew the location of the nursery in which his wife was attending a meeting. ANN advised that it might be at CORA FISHER'S house.

On February 21, 1946, ANN REYNOLDS contacted Dr. HADLEY'S office, and asked for a Dr. NOBLE, who was not in, and she left a message that she would be late for her appointment at 10 o'clock.

On February 22, 1946, BOB KLEINER contacted BILL REYNOLDS and advised

him that he was going to bring a friend with him that night, PEGGY O'NEIL, who is coming down from New York. BOB told BILL that the REDMONTS were going to pick him and JENNIE up down town at 6 p.m.

On the same date IRVING CHESKIN contacted BILL REINGTON and advised him that he was calling to inform him that "we" had just received a draft from the Veterans Emergency Housing Program — general restrictions on construction — and wanted to be sure that BILL saw the draft. IRVING continued by stating that he thought BILL DIVERS had handled the draft for the housing expeditor. To REINGTON'S question, IRVING stated that the draft was not in general circulation. When IRVING was asked if the bill had come from MATT HALE (phonetic) IRVING stated that apparently MATT HALE and BILL DIVERS had prepared it. IRVING advised the subject that in the event he did not come to the office tomorrow he would leave a copy of the draft on top of his desk in an envelope with the subject's name on it, his office being Room 306, 1600 I Street, N. W.

On the same date JOYCE THOMPSON contacted ANN REINGTON and asked her if she and BILL could come to dinner tomorrow night, adding that WARD, last name not given, and ID, last name unknown, and JANE, last name not stated, would be there. The invitation was accepted by ANN.

On February 23, 1946, BILL REINGTON contacted a bookstore and asked if they had the following books: "Structure of Soviet Wages — Abram Beckson" and "Management in Russian Industry and Agriculture by Beanstork, Swartz and Yugo," (phonetic).

On February 24, 1946, an unknown woman with a heavy Jewish accent contacted ANN REINGTON and invited her and BILL out to dinner on the evening of February 25th. The woman gave her address as 4510 — 13th Street, N. W., and during the conversation referred to her husband as SPENCER (phonetic), who was going away to Russia. She mentioned to ANN that she would like to go to New York and obtain her degree so she could teach languages, if necessary. (The unknown woman is possibly Mrs. BARNES, whose husband is SPENCER BARNES).

On the same date EUREL SPEAK WILLIAMS contacted BILL REINGTON, telling him that she and her husband were passing through and wanted to say hello. However, BILL did not recognize her until she gave her maiden name of EUREL SPEAK. She advised the subject that STEELMAN, her husband, was just out of the Army and they were on their way to Boston to see his family and added that STEELMAN was going back to work at TVA, which is the Tennessee Valley Authority. BILL told EUREL that he was now employed with the Office of War Mobilization and Reconstruction but didn't think he would stay much longer inasmuch as he did not like JOHN SNYDER, and that he believes he will teach at Williams College next year. EUREL stated that her husband is interested in the UNO and BILL advised her that the only person he knows who will hold a high position in the UNO is Commander JACKSON.

BILL asked MURIEL if she had seen HOWARD BRIDGMAN (phonetic) in Boston and she said no. BILL told MURIEL that BILL DAVERON or DALERON was back in Washington and he had done a lot of red-baiting about him, BILL, and BILL said he was very much annoyed about this red-baiting and thinks he will have to talk to DAVERON about it. He said that the allegations made by DAVERON are made on what BILL thought years ago. MURIEL told BILL that "she got some bad publicity some years ago in Tennessee," and she asked BILL if he had heard from HOWARD FRASER. BILL asked MURIEL if she had heard anything from HENRY MILLER and she replied no and then he asked her if she had run into PHIL HANNER and he advised her that PHIL is starting a magazine down south and is trying to raise some money.

An unidentified woman, who is believed to be Mrs. ROBERT C. HAVENPORT, contacted BILL REMINGTON, and told him that there seemed to be a mix-up about the square dance Saturday, adding that they had planned to go out Friday to the ROBANS but that had been called off because GHOFF CONKLIN was going to speak at the Washington Bookshop on Friday.

On the same date FRED NEAL contacted BING REMINGTON and advised that he had had a wonderful vacation, having been in Florida and had also taken a trip to Harvard. He also advised BING that he was living at 409 North Thomas Street, Buckingham, Virginia, and his number is CHestnut 7696. He further advised that he expects to get out of the Navy early this coming week. During the conversation with BILL REMINGTON, FRED was asked if he was going to Moscow when he gets out of the Navy and FRED replied that it looked more remote now than ever, adding that "I had a conversation in Russian this afternoon with some Russians I know down here and I find I get rusty awful fast."

During the conversation between FRED and BILL regarding employment in the Government, FRED remarked that if he started to work for the Government he would like to be placed somewhere where he could do something with Russian economics and added that the only possibilities he has are the State Department and the Federal Reserve Board.

On February 26, 1946, ANN contacted JANE and a conversation ensued about a musical program in which JANE advised that the program was to be held at Wellmeyer's home.

On the same date LUCY, last name not stated, contacted ANN and advised her of the meeting of the Executive Committee to be held Thursday at 8:30 p.m.

On February 28, 1946, Mrs. EDMONT contacted the REMINGTON home but was advised that Mrs. REMINGTON was not in.

DETAILS:

WILLIAM WALTER REMINGTON

At 2:20 PM on January 12, 1946 the Newark Field Division telephonically requested this field division to undertake a surveillance of WILLIAM WALTER REMINGTON who is believed by the Newark Field Division to then be en route or at Dartmouth College, Hanover, New Hampshire. It was assumed that REMINGTON was endeavoring to secure a position at some New England Institution of learning where he could teach and also study for

doctor's degree in economics.

AT HANOVER, NEW HAMPSHIRE

The following information was conducted by Special Agents Robert Scott McLeod, James N. [redacted] and Charles T. Fletcher.

WILLIAM WALTER REMINGTON arrived at White River Junction, Vermont, on a train out of New York City. His train arrived at White River Junction at 4.15 and he immediately took a bus to Hanover, New Hampshire. While in Hanover, he was under constant surveillance of agents.

He roomed in the Green [redacted] So. Main Street, Hanover, and spent much of the first day wandering about the campus of Dartmouth College and observing points of interest. He manifested special interest in the art collection in the Baker Library. He was unaccompanied on this tour and his familiarity with the various sites of the college caused a check to be made of the Dartmouth Alumni Register. This source revealed that REMINGTON had graduated from Dartmouth in the class of 1939. He majored in economics and received a Phi Beta Kappa key.

In the latter part of the evening of January 12, 1946 REMINGTON visited GEORGE THERIAULT at the latter's home at 20 Valley Road, Hanover. Theriault is Assistant Professor of Sociology at Dartmouth College.

Confidential Informant [redacted] ascertained that REMINGTON had contacted Dean of Faculty at Dartmouth GORDON BILL telephonically from New York City at about 6 PM on January 11, 1946. He arranged for an appointment with DEAN BILL for Sunday morning, January 13, at 10 AM. The purpose of the appointment was to secure the Dean's advice concerning several opportunities for employment available to him, these opportunities allegedly including a Government position carrying a salary of \$7,500, and several teaching positions including one at Williams College, Williamsburg, Massachusetts. In this telephone conversation REMINGTON also announced that he was presently completing a thesis on "Russian Economy," and that he contemplated contacting several Dartmouth professors concerning this thesis while at Hanover.

On Sunday morning, January 13, 1946, REMINGTON first visited Mr. RUSSELL R. LARSON of Bulch Hill Road, Hanover. Larson is the Professor of Administration and holds the chair furnished by the Benjamin Ames Kimball Foundation at Dartmouth. During the war, Larson took a sabbatical leave of absence in order to accept a position as director of the OPA for the State of New Hampshire.

BS 65-3153

At 10 AM on the same morning, REMINGTON kept his appointment with Dean GORDON BILL at the Administration Office of Dartmouth College. Thereafter, REMINGTON visited WILLIAM PHELPS KIMBALL at 12 Buel Street, Hanover, New Hampshire. KIMBALL is the Dean of Thayer School at Dartmouth and is also Professor of Civil Engineering.

Thereafter, Confidential Informant [redacted] contacted DEAN BILL under a suitable pretext and in a thoroughly discreet manner. From Dean BILL he ascertained that REMINGTON discussed various opportunities for employment and showed a definite inclination to accept the teaching fellowship at Williams College, Williamsburg, Massachusetts. (It is to be noted that the Boston press has reported that Williams College has more than tripled its enrollment in its effort to accommodate veterans, both as students and as teachers. Its program of expansion insofar as veterans are concerned is under the direction of its leading authority in history, Professor FREDERICK L. SCHUMAN. SCHUMAN, an author of several current works on European history, has been attacked by book reviewers in the New York Times and in Boston papers as a Soviet apologist. He is the subject of a closed Internal Security case in the Boston Field Division).

REMINGTON also advised DEAN BILL that he had contacted several of the professors at Dartmouth for the purpose of getting informative data and advice about his thesis. Dean BILL considers REMINGTON to be absolutely brilliant for his age and a person who is loyal to the United States beyond question.

REMINGTON had advised Dean BILL that he intended to take the 2:55 PM train from White River Junction, Vermont, on that day and that he intended to return to Washington, D. C.

REMINGTON departed from Hanover by bus at 2:30 PM and thereafter boarded the 2:55 PM train. The train arrived at Springfield, Massachusetts, at 6:40 PM and without any prior indication of his action REMINGTON suddenly jumped off the train with all his belongings and ran into the station where the surveillance was lost. It was ascertained that by sprinting REMINGTON would be able to get a 6:35 PM train for Grand Central Station, New York, inasmuch as the 6:35 PM train was habitually late at Springfield. By catching this train more than two hours could be saved in the time of arrival at New York City. It was further ascertained that the constant failure of the 6:35 PM train at Springfield to maintain its schedule is well known to Dartmouth students who take advantage of this point in cutting their traveling time to New York City. This field division was subsequently advised that the subject

WILLIAM WALTER REMINGTON

The following information was furnished by confidential informant concerning the activities of REMINGTON from March 1 to 15, 1946.

On March 1, 1946, JOHN _____ contacted subject advising him he wanted to get his reaction to WYATT's program. The subject advised JOHN the people closest to WYATT were AL BROWN and FORT LONG and some of the other NHA boys. Subject further stated he did not feel that AL and FORT were familiar with the problems of production and were lacking in good judgment. Subject also stated one DIVERS is also very close to WYATT and he DIVERS is in disagreement with LONG and BROWN as to how construction should be restricted. JOHN added he thought DIVERS was a much more sensible man than BROWN. The subject stated WYATT was a shrewd, conscientious, and clever small town boy who does not yet know how to pick and choose his associates because he had not been in the big town before he needed help and counsel very badly. The subject added PHIL COOMES (who is with POLES) is very worried about the materials unit in the program division. He added PHIL is not going with WYATT but is going to stay with BOWLES.

REMINGTON further stated PHIL thinks the limits on new construction are good, and he thinks by working on specific issues he might be able to instruct WYATT and his staff. REMINGTON added he thinks all houses under construction and costing more than \$15,000 should come in on an application for review because they should be stopped in certain sections. JOHN added LINK _____ and he had talked before on this before LINK left for Chicago, and they both thought the same thing. JOHN added he thinks by holding construction up they are tying up someone's money. JOHN further stated he did not think WYATT is equipped to handle the whole housing problem.

On March 2, 1946, JULIA McKENNEY (phonetic) contacted BILL REMINGTON and inquired as to what his plans were regarding his teaching at Williams College. The subject told JULIA he was going to teach but he would be back in six months inasmuch as he is only going to teach two semesters. He added he was going to Williams College in June and ANN will be here (D. C.) during the summer.

On the same date BOE DAVENPORT contacted ANN REMINGTON and asked her if she and BILL would like to go to a square dance on Church Street next Thursday night. ANN advised she would like to go and will advise BOB.

On March 4, 1946, ANN REMINGTON contacted MIDGE ALLEN and was advised by MIDGE that WARD ALLEN had been offered "the" job in Berlin and he has to give them an answer on it right away. She added WARD does not know whether or not to accept. MIDGE told ANN she would not be able to study Russian with the REMINGTONS that night.

On the same date ANN REMINGTON contacted Mrs. EVAR (phonetic) of the Tauxemont Nursery School. The conversation was about payment of teachers and they decided a meeting would be held Thursday night.

On the same date ANN REMINGTON contacted the subject and told him about her talk with MIDGE ALLEN and about the new job that WARD had been offered in Germany. She stated MIDGE was afraid to bring up any objection to WARD's going because of her not being able to follow him before September due to pregnancy. ANN told BILL she thought someone should point this out to WARD and suggested that BILL mention something about it to WARD on his way home this evening. ANN added that she thought the job seemed important enough that WARD will go. BILL told ANN he did not think it was such an excellent job. However, ANN added "with his ultimate aim in international affairs, it is probably a good job to take." The subject told ANN he would talk to WARD this evening and try to persuade him not to go to Germany.

On the same date BOB _____ contacted BILL REMINGTON and advised him a fellow named HILLIARD (phonetic) who works with REMINGTON had been calling him. REMINGTON advised BOB that HILLIARD is a good fellow and is a public relations man. BOB added he expected to see HILLIARD soon, and he mentioned he would like to stay with OPA for about six weeks longer to clean up his work. BILL asked BOB how soon he would be able to come to work for WYATT. BOB replied he knows nothing about the set-up. BILL advised him he was having a meeting with PHIL COOMBS who is a former assistant to BOYLES and at the present time in charge of materials for WYATT, and he expects to have contact with COOMBS for about a month and he will try to find out what the set-up is about and will let BOB know. BOB advised REMINGTON he is very anxious to leave OPA and he has a good replacement for his job, a young fellow who is honest and thorough.

On March 5, 1946, Mrs. MOOSE (phonetic) contacted WILLIAM H. E. JOHNSON and advised him she was in town for a few days and wanted him to meet her son-in-law Ensign REMINGTON. They agreed to meet JOHNSON at the Pentagon Building at 12 noon for lunch tomorrow.

On March 6, 1946, ANN REMINGTON contacted subject and they discussed a letter which was received from FOX of Williams College about living conditions. BILL advised ANN they would check on that when they arrived there, and he also added he had learned his pay account in the Navy had been screwed up so his discharge would not go through next week as had been planned.

On the same date BOB DAVENPORT contacted REMINGTON to advise him dancing would be tomorrow night at 7:30 at 3721 S Street. REMINGTON told him he would try to be there by that time.

On the same date ANN REMINGTON contacted one JOYCE _____ and asked her if she was going to HAMMER's party Saturday night, and JOYCE replied yes. ANN advised JOYCE inasmuch as liquor was quite expensive she thought it would be a good idea for those invited to bring their own. JOYCE agreed.

On the same date ANN REMINGTON called subject and inquired what time he was eating. BILL replied he would be out of the meeting at 1 p.m. and would meet JOE PHILLIPS at the Independence Avenue door of the Social Security Building. ANN advised she will probably meet them there and they will eat together.

On March 8, 1946, LUCILLE HARRIS contacted Mrs. REMINGTON and asked her to help out with the nursery school Friday and ANN agreed to do so.

On the same date subject contacted JIM DAVIDSON at CPA, and advised him he and DICK BISSELL are having a meeting on March 9, 1946, and he would like to know what company is on strike. He was advised by JIM that the American Smelting and Refining Company was on strike. DAVIDSON said the pig lead is down 50 per cent. DAVIDSON added he did not know what union was striking but stated it had been going on for three weeks and the Labor Department was trying to settle it. He added there were two ways of settling the strike and it was either to raise prices which has already been refused by OPA or to grant premium prices. REMINGTON then advised DAVIDSON they could give raises in wages and then later apply for increased prices according to the new wage price policy. DAVIDSON advised REMINGTON to contact HARRY HAYES, director of mines and minerals at CPA, and he could get the full details, and he added there was about two or three weeks' supply of lead on hand. REMINGTON asked DAVIDSON if it would be all right if MIKE DOYCHE (phonetic) worked with them and gathered information. DAVIDSON replied their past experience has shown they cannot get along with DOYCHE and would not have any confidence in any information that he might gather.

On the same date MARION FURTHING contacted BILL REMINGTON and he asked her how serious the lead situation was, and she replied it was bad. BILL advised they have put MIKE DOYCHE on it, and he wants figures on the lead supply. MARION advised REMINGTON to keep MIKE DOYCHE out of this because he is not liked.

On March 10, 1946, ANN REMINGTON contacted JANE and advised her they should cancel their skating engagement for Thursday evening inasmuch as GERTRUDE SIERDLOV is holding a meeting for the Women's Voters League. Both agreed to cancel their previous engagement.

On the same date BAXTER FRESCOTT of Dartmouth contacted BILL REMINGTON and stated he was just checking up to see if BILL lived in town.

BILL advised him he was still in the Navy and added he expected to be in town for the next couple of months but intends to leave Washington fairly soon.

On the same date subject contacted HAL TOBEY and asked him if he is still looking (probably for a job). TOBEY replied yes and subject suggested that he contact PHIL COOLBS either Monday or Tuesday inasmuch as he is expecting TOBEY to call him COOLBS. TOBEY advised REMINGTON he had seen HAL STYNE (phonetic) but he is non-committal about his plans whereupon REMINGTON advised TOBEY that HAL STYNE is contemplating going to the WYATT shop, but he has not persuaded WYATT to offer him a big enough job as yet. TOBEY stated the McCABE affair apparently was for SCHNEIDER (phonetic). He stated McCABE is leaving on a round-the-world tour, and HAL thought he would represent SCHNEIDER's office. TOBEY added that HAL suggested that he TOBEY contact NORTON LONG at NHA. BILL advised him they are all in the same project but he didn't think he would be happy under LONG. He said COOLBS will be there only temporarily inasmuch as he is one of ROWLES' three personal economists.

At this point REMINGTON discussed the materials branch set-up with TOBEY, stating there are four divisions: materials, construction, technical services, and prefabrication. He added that no deputy had been chosen for the prefabrication department yet and stated there will be two assistants to WYATT, one being LONG who will be in charge of policies and programs and anything else he can get his hands in inasmuch as he is extremely ambitious. He added LONG is not a very pleasant fellow inasmuch as he is given to crusading. REMINGTON further stated he REMINGTON would never work anywhere near him. However, he liked him personally but he was skeptical as to his effectiveness.

He stated WYATT likes LONG very much inasmuch as WYATT can count on LONG as far as real interest and enthusiasm are concerned. REMINGTON added he thought WYATT's other assistant might be AL BROWN. TOBEY stated he heard it might be AL WOLF and added GERALD advised him that LONG called GERALD asking if he knew of someone who could be his CR. contact. REMINGTON advised TOBEY no one has shown any signs of accepting LONG's plan except HENRY LERNER of the labor branch, and he suggested TOBEY talk with both LONG and COOLBS.

On March 11, 1946, BOB KLEINER contacted ANN REMINGTON to advise her the dance would be at 7 p.m., Thursday, at the home of PEGGY ROUGH TELING of 2431 Kalorama Road, N. W.

On March 12, 1946, TOM BLISDALE contacted ANN REMINGTON and inquired about the address of BERNIE SMITH (phonetic). ANN told him BERNIE is in Japan and that JANE SMITH is in Larchmont, New York. BILL REMINGTON

advised TOM SLAISDALE that SMITH was in Japan with EMERSON ROSS with the Military Government reporting to MacARTHUR. BILL advised TOM that ANN could not find the address and he will call him tomorrow.

On March 13, 1946, BILL REMINGTON contacted PHIL COOMBS and asked him what he thought about a guy who in writing to people he knows very well stated LUCY R. STONE is a stumbling block to anyone who undertakes a study of the negro question, and that she clears on big things with VIRGINIA DURR (active in anti-poll tax committee and wife of CLIFF DURR, FCC) and sabotages everything unless it is to MARGARET FISHER's personal benefit, and that she is trying to take over the Southern Regional Council and everything that is liberal in Atlanta. COOMBS replied that LUCY STONE and MARGARET FISHER, whom he knows intimately, are two of the ablest and completely sincere liberal operators; that MARGARET FISHER accompanied MARY McCLOUD BETHUNE on an airplane tour of the south and faced every issue directly; that LUCY WASON organized the negroes of the district to put HELEN DOUGLAS WALKER in Congress.

REMINGTON asked PHIL if LUCY STONE had anything to do with the CIO and PHIL replied LUCY's title is Southern Public Relations Representative of the CIO and in that capacity looks around and throws her weight where it is needed. Both REMINGTON and COOMBS agreed that the fellow who wrote it was a d--- fool and if he was a sincere solid liberal he would be very close to LUCY STONE and MARGARET FISHER. REMINGTON added the guy who wrote the letters stated LUCY STONE and MARGARET FISHER failed to employ a single negro on their staffs, to which PHIL replied that MARGARET FISHER has a staff of one, a red-headed Jew, and that LUCY STONE shares an office with KEN DOTY of the Textile Workers who is a very liberal person and who has a brother in the Wage and Hour Division of the Department of Labor. REMINGTON advised PHIL he REMINGTON is in a position to squelch the aspirant and would definitely do so.

On March 15, 1946, JOAN REDMONT contacted ANN REMINGTON and invited her and her husband over on Friday evening, March 22, 1946. ANN REMINGTON told JOAN she could not come because they will be in Williams-town, New York, that week-end, and they plan to return on Monday, March 25, 1946. JOAN stated BERNIE was leaving in three weeks and she invited the REMINGTONS to dinner on Wednesday, March 27, 1946. ANN accepted.

Pursuant to your request, there is attached a memorandum recapitulating by the Government departments involved, all of the individuals presently employed by the United States Government who have figured as subjects in the Soviet espionage parallels being investigated in the case entitled "Nathan Gregory Silvermaster, with aliases, et al, Espionage - R," which investigation was instituted, as you will, of course, recall, on the basis of information furnished by Elizabeth Terrill Bentley, an admitted Soviet agent.

As you will, of course, note, the employees of each Government agency in the attached memorandum are listed on a separate sheet or sheets for that agency. The penultimate section of the attached memorandum concerns subjects of the Silvermaster Case who are presently employed by UNRRA, which, although not strictly a United States Government agency, enjoys at least a quasi-governmental character. The last section of the attached memorandum comprises a list of very prominent subjects in the Silvermaster investigation who have only recently terminated their employment with the United States Government and whose names are being set out in view of their extreme importance in connection with this case generally and in connection with other subjects who are still employed by the United States Government. Under each name set out in the attached memorandum is a brief summary of the available information concerning that individual.

WILLIAM WALTER REMINGTON

It appears that William Walter Remington is presently serving in the United States Navy, having been commissioned as an Ensign on August 19, 1944, and assigned to duty with the Office of Naval Intelligence and is presently stationed in Washington, D. C. It has been reported that as of September 10, 1945, Remington was assigned to work with the Office of War Mobilization and Reconversion.

An admitted Soviet agent of considerable importance who was active for a number of years in Soviet Intelligence operations directed at securing information from employees of the United States Government has advised that in 1942 he became acquainted with William Walter Remington through a Soviet superior, Jacob M. Golos, now deceased, an important Soviet agent for many years. Shortly thereafter, the Soviet agent who furnished the above information began contacting William Walter Remington, who was then employed by the War Production Board, at regular intervals and during this period, Remington furnished this Soviet agent with considerable information related to the aircraft production field which he secured in connection with his employment at WPB. In addition, it is known that Remington is closely affiliated with a number of other individuals, many of whom are presently employed with the United States Government and are reliably reported to be active in collecting and furnishing information for transmittal to the Soviet Union.

RENTINGTON, WILLIAM WALTER

Re: WILLIAM WALTER REMINGTON

The following is information which has developed from the results of a mail cover placed on the address of Subject REMINGTON:

<u>From</u>	<u>To</u>	<u>Postmarked</u>
F. C. Remington, 560 Upper Blvd., Ridgewood, N. J.	Ensign W. W. Remington 11 Tauxemont, Alexandria, Va.	Ridgewood, N. J. April 8, 1946 1:30 p. m.
(Air Mail letter) University of Colorado Boulder, Colorado, M. E. Garnsey	Lt. (jg) William Remington Tauxemont Rod., RFD Alexandria, Virginia	

The following information was furnished by Confidential Informant [redacted] concerning the activities of REMINGTON from April 1 through April 15, inclusive:

On April 1, 1946, JANE WALTER contacted BILL REMINGTON and inquired as to his knowledge of books written by PETER KOROTKIN and FEVERBACH, adding that they were probably on Sociology or Political Science. Subject advised JANE that he had heard of these two authors and JANE requested that BILL recommend something to her in the Economic field in which he advised that WESLEY MITCHELL, who, for many years had been a Dean of American Economists, and who was active in the Association of University Professors, had retired two years ago, but was still alert. He added that MITCHELL had taught a course in the Theory of Economics, and that it is mimeographed, but had never been published, and he advised JANE that he, REMINGTON, had one of the few copies, and that he would bring it to her tomorrow.

On the same date, BILL REMINGTON contacted PHIL COOMBS (CHESTER BOWLES' Office) and discussed the lumber business with him. Thereupon, PHIL advised REMINGTON that he had gone into CAMPBELL's Office, but that CAMPBELL was not in and he added that "I am prepared to tell why tomorrow - to have CAMPBELL cancel all appointments inasmuch as he is clearly avoiding us - he is playing a lone wolf game and just doesn't want us in the picture at all." REMINGTON advised COOMBS, instead of cancelling all appointments, that he force a meeting tomorrow and that he should be more tactful, adding that "We are in a position where we must move carefully." The CAMPBELL mentioned above is probably JOHN B. CAMPBELL, Civilian Production Administration, formerly with the War Production Board.

On April 12, 1946, subject contacted BOB DAVENPORT and asked him if he knew anyone in the Agriculture Department whom CLYDE ROBINSON might see to secure a position. DAVENPORT replied that he had already seen CLYDE and that things did not look too good at the Agriculture Department, inasmuch as they are cutting personnel drastically, and that he had referred CLYDE to HARRY LAMBERTSON at REA.

On April 13, subject REMINGTON tried to contact New York, telephone No. Academy 2-7945, and subsequently, CROTON 3411 and wanted to speak to CARL _____.

On the same date, CARL _____ contacted BILL REMINGTON, and advised him that he was presently in Alexandria. Whereupon, subject advised CARL that he would pick him up at Washington and King Street (REMINGTON subsequently cancelled his calls to New York and this may be the CARL to whose residence the number had been placed earlier).

On April 15, 1946, ELEANOR TIMBERG, whose husband, SIG, worked with Subject REMINGTON in London, contacted ANN MILLER and invited the MILLERS to dinner on Friday. She gave her address as Grover Park, 2215 42d Street, N. W., Apartment 1010.

Reference report of Special Agent LAMBERT G. ZANDER, dated April 15, 1946 at Washington, D. C., advises that Mrs. MOOS, mother of ANN REMINGTON, subject REMINGTON's wife, had contacted Mrs. J. WESLEY ADAMS on March 27, 1946.

The following background information regarding J. WESLEY ADAMS, Jr., was obtained from the Civil Service Commission:

The following information was furnished by Confidential Informant [redacted] concerning the activities of REMINGTON from March 16, 1946 through March 31, 1946 inclusive:

On March 17, 1946 BILL REMINGTON contacted MARION JOHNS-
ING who is employed by the Civilian Production Administration, Room
5326, Social Security Building. MARION advised REMINGTON that FOSTER
DAVIDSON (phonetic) had contacted her and that he was very much dis-
tressed about lead and tetraethyl and that a press release would go out
Monday announcing the demise of the Petroleum Administration of the War.
REMINGTON asked MARION as to what decision was reached at the meeting
on Friday, and MARION replied that no decision was made. She replied
that JOHN HOUSTON had not made up his mind about the tetraethyl busi-
ness and that he would give his decision on it Monday. She said that
a plea before the committee was that the ethyl people needed 12,000
tons of lead. MARION remarked that LARRY BROWN, head of the Chemical
Bureau, was breathing fire and that DAVIDSON was worried because he
does not know how he can let them have 12,000 tons of lead in the im-
minent order abolishing petroleum for administration of war. REMINGTON
advised MARION that he would try to find out something about PA and
would call her later. On the same date BILL REMINGTON tried to contact
DICK BISSELL but was advised that the latter was out of town, and REM-
INGTON inquired if he was speaking to the residence of Mr. BISSELL of
the OIR Office and was informed that he was. (Telephone directory
for government bureaus reflects RICHARD M. BISSELL employed by OIR,
Room 1233, Lafayette Building. This is the same office occupied by
Subject REMINGTON.)

On March 17, 1946 ANN REMINGTON contacted VIRGINIA SEAL
and during their conversation VIRGINIA advised ANN that FRED, her hus-
band, may go to Moscow in a government position. ANN advised VIRGINIA

that subject was definitely going to teach at the university and that she and the kids would join him in the fall.

On March 19, 1946 ANN REYINGTON contacted an unidentified woman and during the conversation the unknown woman requested ANN to write a postcard to CECIL ROHN, 1440 Broadway, New York City, advising him that she favored returning to food rationing to help Europe.

On the same date HOLLIS PETER contacted BILL REYINGTON and inquired whether or not he and ANN were coming to their home that evening whereupon REYINGTON advised him that they were. (Telephone directory lists one HOLLIS PETER, Tauxemont, Alexandria, Virginia, telephone number, Alexandria 6472.)

On the same date the subject contacted ANN REYINGTON and advised her that he had been discharged from the navy and wanted her to call the following people and invite them to the house for drinks that evening:

IRVING SVERDLOV, Tauxemont, Alexandria;

IRVING I. AXELRAD, Lieutenant, United States Naval Reserve, Tauxemont Road, Alexandria;

THE TAYLORS (phonetic);

THE THOMPSONS (phonetic);

THE THOMAS (phonetic);

THE DAVENPORTS;

THE WAGNUSSENS; and

THE PEDERSONS (phonetic).

(REYIGN is probably J. L. REYIGNEN, Lieutenant, USNR, Tauxemont, Alexandria, Virginia; DAVENPORT is probably ROBERT C. DAVENPORT of Tauxemont, Alexandria, Virginia; WAGNUSSEN is probably J. W. WAGNUSSEN of Tauxemont, Virginia.)

ANN REYINGTON subsequently contacted the above people

at the request of her husband, the subject.

The FUDENSONS mentioned above are probably the H. C. FEDERSENS of Tauxemont, Alexandria. The TAYLORS mentioned above are probably the Lieutenant ARTHUR H. TAYLORS of 1212 Martha Custis Drive, Alexandria, Virginia.

On March 21, 1946 LUCILLE HARRIS contacted ANN REWINGTON and advised her that she would see her Wednesday if it was agreeable to ANN.

On the same date the subject contacted ANN REWINGTON and advised her that he would not be able to get home early inasmuch as he has a meeting at the White House in the afternoon and that he is going to 3721 S Street later, section not given.

(A telephone directory lists the names of GRETCHEN CAUKIN and SUSAN LOBENSTINE as residing at 3721 S Street, N. W. The names of DORIS M. and ROBERT L. VENSEL are listed as living at 3721 S Street, S. E.)

In a subsequent conversation on the same date between BOB KLEINMAN and ANN REWINGTON, he advised ANN that the party tonight will be at BILL LOBENSTINE's which is listed as 3721 S Street, N. W.

On March 26, 1946 ANN REWINGTON contacted VIRGINIA NEAL to confirm the date they had made and ANN said that SONIA KLEINMAN and BOB KLEINMAN were coming and ANN said, "Maybe we can talk some 'risky'".

On March 27, 1946 Mrs. MOOS, (mother of ANN REWINGTON), contacted Mrs. ADAMS to make arrangements to meet her at 10:00 A.M. that morning at Mrs. ADAMS' home in Langley Court. Mrs. MOOS advised Mrs. ADAMS that she would stop at the embassy to get some material and that she also had to be at the Wilson State Teachers College at 11:00 A.M. to arrange for an educational conference.

On March 30, 1946 the subject contacted General DAVID HOUSEMAN of the War Department and subsequently contacted Mr. M. DURN KINNEY of the Navy Department to inquire whether or not either of these departments was still interested in maintaining their membership in the steering committee of the reconversion working committee. REWINGTON advised both that the problem to be taken up by the reconversion committee

would involve civilian stabilization. RETINGTON was advised to make the arrangements for the representation of his committee and also that the Navy representation should be withdrawn but that the Navy wants to be informed of the meeting and about the subjects of discussion so that they, the Navy, may decide whether or not to be represented.

On March 31, 1946 MARTHA GIBBERMAN (phonetic) contacted Mrs. RETINGTON and advised her that she is scheduled for the intermediate group tomorrow.

On the same date SOL OZER (phonetic) contacted the subject and advised him that he had just returned by boat from Germany and that he had spent an evening with TED GEIGER (phonetic) in London. BILL told SOL that he had gotten out of the Navy last week and that he is now with the Office of War Mobilization and Reconversion in the LaFayette Building and that he is located two doors north of Room 207. SOL added that he can be reached at FEA on Extension 5550 or at his home with HELEN at Chestnut 2000, Extension 271. SOL inquired as to what was going on in Washington and the subject suggested that he, SOL, see NORTE LONG, Assistant Administrator under WILSON WYATT and added, "The Wyatt program is terrific, the hottest thing in town". SOL told RETINGTON that he checks in for work every day to be sure that someone knows that he reported but that he does not know who his boss is or what he is supposed to do. SOL made an appointment to see the subject in the latter's office at 11:00 A.M. on April 1. (The telephone directory lists one S. D. OZER, 1724 North Rhodes Street, Arlington, Virginia, telephone, Chestnut 2000.)

This memorandum will make of record information concerning Fred Warner Neal, as discussed by me with Supervisor Lish Whitson yesterday afternoon.

A check of Bureau files shows that Fred Warner Neal, 409 N. Thomas Street, Arlington, Virginia (Buckingham Apartments), who is a personal acquaintance of mine, is mentioned in two Bureau cases as having been in contact with subjects under investigation as Soviet espionage agents.

Bureau file 61-7219-6 shows that Arvid Jacobson was arrested with his wife in Finland early in 1933, charged with Soviet espionage. The Bureau file shows that while in custody in Finland, Jacobson's wife asked the American Consul to forward on her behalf a request for funds directed to one Fred Warner Neal in Michigan, the legal residence of the Jacobsons.

Bureau file 65-56402-1-304 concerns a telephone call made by Fred Warner Neal on February 24, 1946, to Bill (Bing) Remington, the latter being one of the subjects named by the informant in the Silvermaster case as having furnished aeronautical information for forwarding to Golos in furtherance of Soviet espionage activities. During the telephone conversation, Neal reveals his friendship for Remington. Neal stated among other things that he is now out of the Navy and doesn't know which of several job offers to accept, including a possible job at the State Department. Neal indicated that he can have the Managing Editorship of the "New Republic" Magazine.

The following information was furnished by Confidential Informant [REDACTED] concerning the activities of REMINGTON from April 16th to April 30th inclusive.

On April 16, 1946 JOAN REDMONT who is the wife of BERNARD REDMONT, subject in instant case, contacted BILL REMINGTON advising him that she was going to South America to join her husband and she subsequently made a dinner date with ANN REMINGTON for Thursday night at the Press Club. On the same day ANN REMINGTON contacted VIRGINIA NEAL who is the wife of FRED WARNER NEAL, previously reported, and invited them to dinner on instant date. Subsequently ANN REMINGTON contacted MERVIN ARE who is in the Russian Unit at the Commerce Department and also invited him to dinner. The indices of the Washington Field Division are negative regarding ARE.

On April 17, 1946 SOL OZER contacted the REMINGTON residence and was advised that REMINGTON was not at home requested that the message be related to BILL to call Chestnut 2000 extension 71. Subsequently REMINGTON contacted OZER and asked SOL if he had made any definite plans whereupon OZER replied that he had just replied upon the Germany job and added that he had talked with FORT LONG and MAL CATLIN had agreed to take the job. REMINGTON asked SOL if he had talked with BOB WILLIAMS whereupon OZER said he had not but that he knew WILLIAMS when WILLIAMS was with the PL and PB. BILL advised OZER that WILLIAMS was Assistant Director of Building Materials Supply Branch of which PHIL COOMBS was Acting Director. REMINGTON told OZER that he OZER and TOBY (probably MERVIN TORLIS) will continue to push OZER for the job and added that MEL BESHKOZ is being considered for the direction of the building material supply branch. MEL BESHKOZ is probably identical with R. M. deSEKO, Real Estate Agent, 922 14th Street, NW.

The files of the Washington Field Division reflect that MERVIN TORLIS who is probably identical with the above mentioned TOBY is [REDACTED]

On April 19, 1946 ANN REMINGTON contacted BOB KLEIMAN to inquiry whether he was coming to the Square Dance and stated that he was and was bringing along a friend JOE FROM who is going to TOKYO for "World Report".

On April 20, 1946 BILL REMINGTON tried to contact Mr. WILINSKY at PARK TERRACE. The telephone directory shows that LEWIS J. WILINSKY resides at 1660 Lanier Place, NW, HO 6100 which is the same address and phone number for the Park Terrace Apartments. The indices of the Washington Field Division fail to reflect a record for one LEWIS J. WILINSKY. The files of the Credit Bureau reflect that LEWIS J. WILINSKY, 1600 Lanier Place is employed by the CPA as an economist having been appointed on October 8, 1943 at a salary of \$6230 per year. Also that the subject was born on April 19, 1908 and that he does his banking with the Lincoln National Bank.

On April 22, 1946 SIS TIERER contacted ANN REMINGTON and invited ANN and BILL to cocktails on Saturday evening; whereupon ANN advised her that she would have to leave earlier inasmuch as she had another engagement. On the same date BILL REMINGTON contacted PHIL COOMES and advised him that he did not get a chance to see him because he had been working on the Civilian Production Administration Monthly Report because it was viciously anti-CPA. PHIL further stated that during the small conferences held by WITT he understands that LARRY WEEGLEN, FRANCIS SETTY and BOB JOHNSON were elected to a committee and he wanted to know if they were going to handle pig iron whereupon PHIL COOMES advised "No" that CPA was supposed to handle it. On the same date REMINGTON tried to contact Mr. ---LITMAN of the Policy Committee of NVC and was advised that he was not in, that he was working at the National Housing Agency located at the Social Security Building under ARMY LERNER.

On April 28, 1946 MADELINE EIR, phonetic, contacted ANN REMINGTON and during the conversation invited her to dinner Saturday night stating that she had some Russian friends that she thought the REMINGTONS would like to meet. ANN REMINGTON accepted the invitation and Mrs. EIR gave her address as 1024 North Montana Avenue, Arlington, Virginia, phone number GLEbe 3057.

Through a physical surveillance on May 4, 1946 it was established that ANN and BILL REMINGTON arrived at the home of MADELINE WEIR at 8.55 PM with another man and three other women. All six arrived in a 1941 Pontiac Tudor sedan bearing DC license 78646. It was subsequently learned that the above license is issued to one JAMES E. LEWIS of 1678 Irving Street, NW who is the husband of SHURA LEWIS previously reported in this case.

On April 29, 1946 TISH LEHMAN contacted ANN REMINGTON and told her that FRED and VIRGINIA NEAL had gotten in and that FRED had been out with the Russians interpreting for them and added that FRED and VIRGINIA went to a party at the Russian Embassy and were staying at the Mayflower Hotel. TISH advised ANN that FRED was going to work for the State Department. On the same date BOB WILKINSON contacted BILL REMINGTON and asked him who NIT RUGG was; whereupon REMINGTON advised him that he, RUGG, was head of Progress Reporting which is analyzing the housing situation.

Reference is made to the report of Special Agent LIMPET ZANDER dated May 2, 1946 in this case in which it was reported that on April 15, 1946 ELEANOR WINBERG whose husband SIG worked with REMINGTON in London contacted ANN REMINGTON and invited the REMINGTONS to dinner on Friday April 19th. The indices of the Washington Field Division reflect that SIGMUND WINBERG

CONF. INFO.

The following information was furnished by [REDACTED] concerning the activities of REMINGTON from May 1 to 15, 1946. U

On May 2, 1946, GEORGE INGALL contacted ANN REMINGTON and asked her how he could reach subject. She advised him to call Republic 7500, extension 6225. U

Subsequently, REMINGTON contacted Miss ELEANOR WILLIAMS and advised her Mr. INGRAM was in town and wanted her to make an appointment for him with Mr. RICHARD BISELL. (Mr. BISELL is employed by the CTR in the same office with REMINGTON.)

On May 3, 1946, Mrs. MOOS, ANN REMINGTON's mother, contacted ANN REMINGTON and advised her she was at the airport and was on her way to REMINGTONS' home.

On May 4, 1946, NAT ROGGE contacted BILL REMINGTON and advised BILL he had been to a party the night before and asked REMINGTON if he knew JACK TULLAY (phonetic). BILL advised NAT he did not know him and he also had talked to BOB JOHNSON. He stated BOB stated the stuff is coming in-- the telephonic survey stuff is coming in this week, and he doesn't see any reason why it can't be made available for the confidential use of the NHA top staff. NAT replied, "Until we get set up a little better, I think it is wise for us to keep this document restricted." ROGGE and REMINGTON went into a lengthy discussion regarding reports.

On May 5, 1946, IRVING CHESKIN contacted BILL REMINGTON, and they discussed the possibility of IRVING's making a change from the NHA and going over to CTR whereupon BILL advised him NHA would be more interesting than CTR. IRVING stated he was now a P-6 with NHA, and BILL suggested he contact other agencies before leaving NHA.

On May 6, 1946, the Washington Bookshop contacted ANN REMINGTON and reminded her they had her printer's bill framed for her. (The Washington Bookshop is an alleged communist front organization.)

On May 9, 1946, JANE HARTER contacted ANN REMINGTON and advised her she was still working on the distribution of "The Standard"; that everything was going along normally.

On May 13, 1946, BILL REMINGTON contacted THOMAS BLAISDELL at Blacksburg, Virginia, who is a student at the Virginia Polytechnical Institution, and they discussed the possibility of BLAISDELL's getting a deferment from the army for the present school term whereupon REMINGTON gave the necessary information for BLAISDELL to obtain his deferment.

Reference is made to the report of Special Agent LAMBERT C. ZANDER dated May 17, 1946, Washington, D. C., which sets forth on April 20, 1946, MADELINE WEIR (phonetic) contacted ANN REMINGTON and invited them to dinner, and subsequently it was ascertained through physical surveillance ANN and BILL REMINGTON kept their dinner date with the WEIRS at 1024 North Montana Street, Arlington, Virginia. Further investigation reflects that MADELINE WEIR's correct name is MARINETTE WEIR and that her husband is BENNY WOLDSHIP.

Transmitted herewith is a chart prepared by the New York Office showing the channels of transmission of espionage information by the individuals named in the statement of Elizabeth Terrill Bentley, who has been given the designation "Gregory" by the New York Office for the purposes of this case.

You will recall that the informant mentioned other individuals such as Alvin Karp and Ray Wilson, the latter a direct contact of the Soviets in New York City, in her statement but these people are not included in the chart inasmuch as they did not deliver material to either Golos or to the informant during the period between October, 1938, and December, 1944.

The files of the Washington Field Division were checked and it was determined that Confidential Informant [REDACTED] whose identity is known to the Bureau, furnished the following information regarding [REDACTED]. On February 22, 1946 IRVING CHESKIN told BILL REYNOLDS, the subject of instant case, that he was calling to inform him that "we" had received a draft of the Veterans Emergency Housing Program and that he wanted to be sure BILL saw the draft. BILL said his orders from the Navy were to JOHN SYDER and that his orders came through DICK BISSELL, not CHARLES MITCH. Confidential Informant [REDACTED] advised that on March 8, 1946 WILLIAM REYNOLDS contacted JIM DAVIDSON at CPA and told him that he and DICK BISSELL were meeting in the morning and he would like to know which company is on strike. JIM said it was the American Smelting and Refining Company, etc. On March 17, 1946 this informant advised that BILL REYNOLDS, a subject in instant case, attempted to contact Mr. DICK BISSELL. He was advised Mr. BISSELL was out of town and would not be back until late that night. BILL asked whether he was stopping at the residence of Mrs. BISSELL of O. . . R. He

WFO 100-17493

was advised in the affirmative. On April 15, 1946 the informant advised that the same BILL CRINGRONE advised his office he would be in about 4:00 p.m. and that he would like to have an appointment with Mr. BISSELL. The following is a description of RICHARD M. BISSELL, JR.

Complexion	Medium
Age	30 to 35

The following information was furnished by [REDACTED] concerning the activities of subject REMINGTON from June 1 to June 15 inclusive.

On June 3 an unidentified woman contacted ANN REMINGTON and advised her a meeting of the Federation would be held and wanted to know if ANN could attend. This person said the meeting would be held at JULIEN M. MCD's. ANN advised this woman she would be unable to attend this meeting inasmuch as her husband, BILL, would be in town.

On June 12, 1946 EOB LAWRENCE contacted ANN REMINGTON to advise her he would not be able to attend her party on Saturday night. During the conversation it was determined that subject REMINGTON would leave for "Williams College" the latter part of September and that he plans to teach there for two semesters. ANN stated during this time he will try to write his thesis on "Russian Economics". The subject's status while at Williams will be on the basis of a "visiting lecturer".

On June 14, 1946 an unknown woman believed to be EDITH HULSEY contacted ANN REMINGTON and advised her she had talked to HOLLIS (HOLLIS PETERS previously reported) about giving Baltimore a long range food program. She told ANN that IRVING S. ENDLOB would talk on current problems and URRRA, and that the meeting would be held by her at her home at #3 Shenandoah.

~~CONF. INFO~~

The following information was furnished by [redacted] concerning the activities of subject REMINGTON from May 16 to 31, 1946. 4

On May 18, 1946, REMINGTON tried to contact JOE LOFTUS of OES but was unable to do so. On a later date, TAYLOR OWENS contacted BILL REMINGTON and advised him she had gotten in touch with BOB WILLIAMS but could not reach JOE LOFTUS, and she gave REMINGTON LOFTUS' telephone number as Emerson 2089. (The indices of the Washington Field Office fail to reflect a record of JOE LOFTUS. The telephone directory lists JOHN A. LOFTUS at 5205 Sherrier Place, N. W.) 4

On May 20, 1946, BOB DAVENPORT contacted REMINGTON and advised him he had sent a manifesto to Mr. SELLS in the economic section and stated SELLS' reaction was immediate and strong and very unfavorable. BOB stated Mr. SELLS is on his way out, and the new assistant director is to be GARDINER ACKLEY (phonetic) who was formerly connected with OPA in the chemical section. 4

On May 25, 1946, LUCY CONKLIN advised BILL REMINGTON she knew a person who would like to take over the REMINGTONS' house while they were gone and gave his name as BEN LOPEL (phonetic) who, she stated, was a well known novelist. 4

Later VIRGINIA NEAL talked to BILL REMINGTON and during the conversation it was understood that BILL would leave Washington sometime in September. 4

On May 26, 1946, JOAN REDMONT, who is the wife of a subject in the SILVERMASTER case, contacted BILL REMINGTON and advised him her husband BERNIE was still in Buenos Aires but he expected to go to Uruguay soon. She invited REMINGTON and his wife to a party which was to be held at 2138 F Street, N. W., in the apartment of DON ROTHENBERG who is JOAN's brother-in-law. 4

On May 27, 1946, VIRGINIA NEAL again contacted ANN REMINGTON and during the conversation ANN told VIRGINIA that BILL had received an offer to teach from the University of Colorado, and he may accept the offer after he finishes his two-year job up north. (His two-year job up north probably refers to his position with Williams College.) 4

On May 29, 1946, REMINGTON contacted his wife ANN and during the conversation ANN advised him she had received a letter from ROLAND ----- who would like to visit the REMINGTONS when he comes to town on Tuesday evening. ROLAND was later identified in the conversation as being ROLAND BROOKHUIS who gave his address as in care of ALFRED AUERBACH Associates, 130 West 57th Street, New York City.

Reference is made to a report in instant case dated June 5, 1946, advising that further investigation was being conducted on HENRY MARE. The following background information was obtained by Special Agent WILLIAM C. GALLENMOORE regarding HENRY HOLDSHIP MARE.

Ridgewood, N.J. June 21, 1946	Ensign W. W. Remington 11 Tauxemont Alexandria, Va.	B. REMINGTON 560 Upper Boulevard Ridgewood, N.J.

The following information was furnished by ~~Confidential Informant~~ concerning the activities of subject REMINGTON from June 16 to June 30, 1946, inclusive.

On June 16, 1946, BILL REMINGTON contacted his mother in Ridgewood, New Jersey and invited her and his father down for the coming week. BILL'S mother told him that she would not be able to come down, but that she would be glad to keep the children, and BILL advised her ANN would drive up on Friday and leave the children with her and they would probably go on to New York and return the following Wednesday.

On June 17, 1946, EDITH HUSSEY (phonetic) contacted ANN REMINGTON to advise that HOLLIS PETERS had called her to advise that he would not be able to speak before their group inasmuch as he is connected with the Intelligence Department at the State Department. EDITH suggested to ANN that IRVING SWARDLOW speak on UNRRA and that subject REMINGTON could talk on the OPA. Information on PETERS and SWARDLOW has been furnished in a previous report.

On June 19, 1946, JANE HAMMER contacted ANN REMINGTON and invited her to lunch. ANN refused, saying she had too much to do inasmuch as she was planning to go to New York on Friday. JANE then invited ANN and BILL to her home on the evening of July 5, and ANN accepted providing they were in town.

On the same day, JULIA HOLBROOK contacted ANN REMINGTON and told her that "things are not going well for the civilian control of the atom bomb and we have to write letters to the President." ANN replied that there is going to be a meeting tonight and we plan to discuss the situation. JULIA asked where the meeting was going to be and ANN said at Mrs. _____ HUDSON'S.

On the same day, ANN REMINGTON contacted a Mrs. BARRETT (phonetic) to ascertain the status of her emergency food collection, whereupon Mrs. BARRETT advised her that she had collected twenty-six dollars. Mrs. BARRETT asked ANN if they were going to continue the collections and was advised that they were not, but that they would probably begin collections again in September.

Subsequently, ANN REMINGTON contacted MARGEE _____ and asked if she was going to the meeting tonight, whereupon MARGEE said she was. ANN advised MARGEE she was going to resign her vice-presidency and asked MARGEE if she wanted the job. MARGEE replied that she did not want it inasmuch as it entailed too much responsibility.

On June 25, 1946, PAT SHEPHERD (phonetic) contacted ANN REMINGTON and invited her and BILL to her home at 7:00 P.M. on July 2 for a cocktail party which was to be held at 1830 K Street. PAT told ANN that the LEHMANS and several other people would be there. PAT gave ANN her telephone number as National 9086. (The telephone directory reflects a Mrs. JANE A. SHEPHERD, 1830 K Street, Northwest, telephone National 9086, apartment 804.)

On June 27, 1946, ANN REMINGTON contacted BOB LEHMAN and made a date to meet ELISA at JENE'S restaurant at noon for lunch.

On June 28, 1946, CARL _____ contacted BILL REMINGTON and advised that he was in Alexandria, whereupon BILL said he would be right down to pick him up. CARL is believed to be CARL MOOS, the brother of ANN REMINGTON.

On June 29, JOYCE THOMPSON invited the REMINGTONS over for cocktails on June 30; ANN advised JOYCE that it was not certain whether she would be able to make it inasmuch as the REMINGTONS were going on a motor trip to Chesapeake Bay.

On the same date, VIRGINIA NEALE contacted ANN REMINGTON and invited them to dinner on Wednesday, July 3. VIRGINIA told ANN that the KILPATRICKS and SHARPES were coming. ANN agreed to accept the invitation if she could bring her brother CARL. VIRGINIA said that was OK with her.

The same day HOLLIS PETERS contacted BILL REMINGTON to ask him to change his membership in the AVC from Washington to the Alexandria group and he asked BILL if he would be able to attend the meeting Tuesday and BILL replied that he would not, inasmuch as he was doing some economic problems for national organization and could not get there. REMINGTON advised HOLLIS that he did not see any reason why he should not transfer it to the local group and he would think it over for a few days and let HOLLIS know.

Physical Surveillance

On June 27, 1946, the following surveillance was conducted by Special Agents JEROME M. GARLAND and WILLIAM R. CORNELISON.

At 12:10 P.M., ANN was observed entering Jone's Restaurant, 1707 DeSales Street, Northwest, and was later observed having lunch with ELISA LEHMAN. ELISA is described as being 40 years of age; 5 feet 3 inches; hair dark brown worn down back of neck; 120 pounds; blind in the right eye and can see very little out of the left one, has to be given assistance; complexion, fair; upturned nose; weird looking face; does not wear a hat; does not wear a wedding or engagement ring; wears costume jewelry; dresses in an arty manner. After leaving Jone's Restaurant at 1:20 P.M., REMINGTON and LEHMAN shopped at Hecht's and at 1:55 P.M., ANN and ELISA parted at the Civil Service Commission, ELISA taking a cab and going to 8436 Piney Branch Court Road.

Reference is made to reports of Special Agent Lambert G. Zander dated May 17, 1946 and June 5, 1946, which set forth that on April 20, 1946, MADELINE WEIR (ph) contacted ANN REMINGTON and invited them to dinner. At the WEIR residence at 1024 North Montana Street, Arlington, Virginia, further investigation reflected that MADELINE WEIR'S correct name was NANETTE WARE and her husband is HENRY HOLDSHIP WARE. U

[REDACTED]

Confidential Informant [REDACTED] advised that on April 17, 1946, [REDACTED] received a call from ANN REMINGTON on extension 20307 at the Commerce Department and answered "Russian Unit". [REDACTED]

At the Newark Public Library, Newark New Jersey, the 1940 District of Columbia directory was examined and found to contain information that one HENRY H. WARE was a analyst with the Bureau of Foreign and Domestic Commerce, Washington, D. C.. It is believed that the individual appearing in the Newark Field Division indices under the name of HENRY H. WARE is identical with HENRY HOLDSHIP WARE inasmuch as he allegedly is employed in the Department of Commerce. It is noted that information appearing in the files concerning this individual in the Newark Office, reflects that in the spring of 1945, WILLIAM WALTER REMINGTON had gone to England as an Assistant to the American Minister of Economics in that country. According to Mrs. GAYTRELL, 246 Mountain Avenue, Ridgewood, New Jersey, a neighbor of the REMINGTONs, it is possible that REMINGTON became acquainted with WARE during this employment. 4

RE: WILLIAM WALTER REMINGTON

The following information was obtained from a mail cover placed on the mail received by subject REMINGTON:

<u>Addressor</u>	<u>Postmarked</u>
W. E. GARSEY , University of Colorado, Boulder, Colorado	July 8, 1946
L. R. BEST 3916 North Bond Rd., Cincinnati 11, Ohio	July 11, 1946
REDMONT , Salta 2 710 Olivas, Buenos Aires, Argentina	July 16, 1946
Veterans Administration N. Y. Branch of Central Office 346 Broadway New York, 13, N. Y.	July 18, 1946

The following information was obtained through Confidential Informant [redacted] concerning the activities of subject REMINGTON from July 1 to July 15, inclusive:

On July 1, 1946, ~~MR. REMINGTON~~ contacted Western Union and sent wires to Senators TAFT and WHEATY, saying "you republicans responsible for price control end. Taft Amendment outrageous. Inflation inevitable without effective controls."

On the same date ~~MR. REMINGTON~~ contacted ~~JANE MILLER~~ and discussed the possibility of getting together soon and ~~MR.~~ wanted ~~JANE~~ to get her husband JACK to get one of the Russians who works for URR. to come out for a talk. ~~JANE~~ advised ~~MR.~~ that she did not think they would be able to get him this week inasmuch as the Russian will not return until Wednesday.

On July 8, 1946, an unknown woman contacted the residence of REMINGTON and ~~when~~ advised that the REMINGTONS were not in, she asked the individual she spoke with to have ~~MR.~~ call ~~JESSIE SCHWARTZ~~ at Temple 6104.

On July 12, 1946, ~~MR. REMINGTON~~ contacted ~~TISH BERMAN~~ and was advised by TISH that her husband BOB is not going to San Francisco as planned.

On July 13, 1946, LEON LURRAY (ph) contacted ANN REMINGTON and asked her if it was true that the REMINGTONS were going to move to New York. ANN replied she was not certain and they would not know until the end of September. She added that BILL does not like the job set up very much. LURRAY told ANN that he had met the REMINGTONS at ROTHENBERG'S (ph) and that the ROTHENBERGS are the ones who told him of the possibility that the REMINGTONS were vacating their home.

On the same date TISH LEHMAN contacted ANN REMINGTON and asked her if she wanted to go to the beach. During further conversation ANN advised TISH that next Sunday would not suit BILL inasmuch as he was going to look for a 200 acre farm near Pittsfield, Massachusetts.

Physical Surveillance

A physical surveillance was conducted on July 2, 1946, by Special Agent W. R. CORNELISON, which reflected that subject REMINGTON and his wife ANN entered the apartment of JANE L. SHEPHERD, 1830 K Street, N. W. at 8 p.m. As yet no background information has been available regarding Mrs. JANE L. SHEPHERD.

A physical surveillance conducted on July 18, 1946, reflects that subject REMINGTON and his wife left the Lafayette Building at 7:30 p.m. with a man supposed to be DUREN SMITH. REMINGTON drove to Hogate's Restaurant on Water Street, where the party had dinner. SMITH is described as being about 34 years of age, 5'8 or 9" tall, 160 pounds in weight, fair complexion, sharp features, and at the time he wore a blue suit, brown hat and black shoes.

The following is background information concerning ROBERT S. LEHMAN, who has previously been mentioned in instant case:

The following information was obtained through Confidential Informant [redacted] concerning the activities of subject REMINGTON from July 16 to July 31, inclusive.

On July 16, 1946, subject contacted his wife ALE and advised her that he had accepted a dinner date with PHIL COOMBS and BURT FOX and that they were driving about twenty miles into Maryland and that ALE is to pick BILL up at the Roger Smith Hotel where he has been having drinks with BURR SMITH and BILL advised that BURT was going to spend a couple of days with them. Information concerning PHIL COOMBS and BURT FOX has previously been set out in instant case.

On July 17, 1946, ALE REMINGTON contacted NIDGET ALLEN and invited her to dinner for tonight stating that an old friend of theirs from Japan was going to be there. This old friend is probably BURR SMITH.

On July 18, 1946, ANN REMINGTON was contacted by INGRID RYAN, who invited them to dinner on the following Saturday. ANN told INGRID that she would call back to let her know whether the REMINGTONS could accept the invitation to dinner. The telephone directory lists EDWARD F. RYAN, 3713 Canal Road, N. W., as being subscribers to telephone number Hobart 7380.

On July 26, 1946, FRED [REDACTED], probably FRED KUAL, contacted ANN REMINGTON and when advised that BILL was not at home, he told ANN that he had called to apologize to BILL for not being able to make the luncheon engagement which had been scheduled for Monday inasmuch as something had come up and he had to go to the Soviet Embassy. FRED inquired of ANN whether it were true that the REMINGTONS might not go to Williams College in the Fall, whereupon ANN stated that at the present time it looks as if they will stay where they are, inasmuch as BILL is expecting something big.

On July 27, 1946, BILL REMINGTON sent the following telegram to President JAMES BAXTER, Williams College, Williamstown, Massachusetts: "JOHN STEELMAN tells me that he has written asking to release me from my promise to report there in September. Letter from me should reach you Tuesday."

On July 29, 1946, BILL REMINGTON contacted his wife ANN and advised her to take the rough draft of the letter he had written to Williams College and call his secretary, Miss OWENS, and dictate the letter to her over the telephone. Subsequently, ANN contacted Miss OWENS and the following is the text of the letter addressed to President BAXTER of Williams College.

"Mr. STEELMAN has told me that he has written to you asking to release me from my promise to report for duty at Williams College in September. I want to make it clear that I have told Mr. STEELMAN that I consider my promise to you and to BURT FOX binding and that I will be in Williamstown on schedule if you must give a negative reply to him.

"As yet I have not seen the letter which Mr. STEELMAN wrote to you. I presume he commented on the urgent responsibilities of this office. It would be difficult for anyone to exaggerate them. There is no question in my mind that if I had visualized last winter the role this office would be playing in current national and economic affairs, and if I had visualized the nature of my current responsibilities in this office, I would not have agreed to leave Washington at this time. Last Winter I did not realize, either, that my current salary would be \$8,200 a year with the certainty of over \$9,500 a year as soon as the Civil Service Commission acts to approve me for the level of responsibilities which I carry. I expect to be eligible for the higher grade late this summer.

To teach at Williams would be a real privilege and I would be sorry to pass the offer another time or to lose the opportunity entirely. However, the sense of duty I feel toward this job is strong, exceeded only by the compulsion I feel to keep a promise. I am willing to play the game down here through the last quarter of this year if you take the same view of my obligations that Mr. STEELMAN takes. If your answer depends partly on your ability to find a replacement, I would be glad to assist in finding either a temporary or permanent substitute."

On July 29, 1946, HOLLIS PETER, previously set out in instant case, contacted AM REMINGTON and advised her to tell BILL that there would be a meeting tomorrow night at 8:30 P.M. of the Alexandria Democratic Committee in the basement of the Alexandria Insurance Company building in Alexandria.

On July 30, 1946, R. B. SMITH, previously referred to as BURT SMITH, contacted Mrs. JAMES at Chestnut 3681 and advised her that he had just returned from Japan and that he and his wife were down on a visit looking for a home. He added that their child is still in New York. The telephone directory lists H. C. JAMES, 2804 North Washington Boulevard, Arlington, Virginia, as subscribers to telephone Chestnut 3681.

On the same date, HOLLIS PETERS contacted AM REMINGTON to ask whether BILL was going to the meeting, whereupon AM advised HOLLIS that BILL said that he would not be able to go and that he was not going to change his membership from the Washington group.

On July 31, 1946, AM REMINGTON contacted BILL REMINGTON and advised him that he had received a letter from Williams College and that he would read it to him. The letter was from BURT FOX and it advised REMINGTON that the letter from STEELMAN had been received by President BAXTER requesting that REMINGTON be released from his commitments to teach at Williams College during the Fall semester inasmuch as REMINGTON is needed in Washington until at least January 1, 1947. FOX advised REMINGTON that WILLIAMS College does not expect to hold him, REMINGTON, to his commitment to teach at Williams.

[REDACTED] that he needed his original discharge from the Navy Department and wished that she would send it to him in care of BILL REMINGTON.

(L)

It was ascertained that the subscriber to these telephone numbers is ELIZABETH MOOS, the Academy number being assigned to her address at 478 Central Park West, New York City and the Croton number being assigned to her Mt. Airy Road, Croton, New York address.

NY 65-14603

[REDACTED]

[REDACTED]

It has recently been ascertained from Confidential Informant [REDACTED] whose identity is known to the Bureau, that his wife, in a recent conversation with ELIZABETH MOOS, ascertained that ELIZABETH MOOS' son-in-law is still in the Navy and is connected with Navy Intelligence. Confidential Informant [REDACTED] had no additional information to identify this son-in-law, but in the investigation of WILLIAM WALTER REMINGTON, it has been ascertained that he is a son-in-law of a Mrs. MOOS, Mrs. MOOS having wanted WILLIAM H. Reference is made to the memorandum dated September 20, 1946 from Mr. L. B. Nichols to Mr. Tolson concerning Bernard S. Redmont and to your notation thereon "What do we have on Redmont and Prewitt (Virginia Prewitt of the Chicago Sun)".

[REDACTED]

Bernard Sidney Redmont is a subject in the Gregory case and is presently under investigation in that connection. The informant, Gregory, advised that Redmont was recruited by another subject in the above case, William Walter Remington, sometime in 1943, at which time Redmont was employed in the Press Division of the Office of the Coordinator of Inter-American Affairs in Washington, D. C.

Gregory advised Jacob M. Golos, a Soviet agent who was then Gregory's superior, of the possibility of using Redmont as a Soviet espionage agent and Golos instructed Gregory to obtain Remington's assistance in utilizing the services of Redmont. After his recruitment by Remington in 1943, Redmont met Golos in New York City, at which time Golos indicated to him that information which he furnished was to be turned over to Earl Browder, then head of the Communist Party, USA.

It is believed that the following information will be of interest to the Federal Bureau of Investigation:

Reference is made to a communication from the Director of the FBI, dated August 9th, 1946, concerning [REDACTED] wherein it was indicated that [REDACTED] is closely connected with William Remington, a subject in the Gregory case. On the basis of this information, the appointment of [REDACTED] to the Department was stopped, pending further investigation. In this connection the routine personnel investigation was amplified to obtain more detailed information regarding [REDACTED] background.

Shortly after the stop order was placed on this appointment, Mr. Robert M. Kerr of the White House, who serves as Assistant to Ed Locke, Special Assistant to the President, called this office three times on September 27, 1946 on behalf of [REDACTED]. Mr. Kerr stated that he is a close personal friend of [REDACTED] and that [REDACTED] at one time worked for him. He stated he has every confidence in [REDACTED] and he was anxious to find out the reason why the [REDACTED] case was being held up. He indicated that he was very anxious to assist in any way possible to clarify the matter and advanced the opinion that the case was probably being held up as a result of an incident which took place at Hofstra College in New York, which at one time was affiliated with New York University. Mr. Kerr also called Mr. Fitch, Chief Special Agent of the Department, for the purpose of supplying any information necessary in an effort to speedily clarify the case of [REDACTED]. He also suggested that the following persons be interviewed, all of whom could vouch for [REDACTED] in every possible manner, Col. WILLIAM WALTER REMINGTON

The following information was obtained through Confidential Informant [redacted] concerning the activities of subject REMINGTON, from September 15 to 30, inclusive.

105752

On September 17, 1946, JEAN CLAUD contacted ANN REMINGTON and asked ANN if she could help the Alexandria A.V.C. in some work, sending out announcements of a meeting they are having on atomic energy control. JEAN stated they were getting lists of discharged servicemen from the draft board and that they needed help to compile this list inasmuch as the records cannot be taken from the draft board. ANN advised JEAN that she would not be able to help and also stated that BILL, her husband, is a member of the Washington group of the A.V.C.

On the same date, GERTRUDE SWERDLOW contacted subject REMINGTON and advised him that her husband IRVING, who is in Germany, spent time with MAYER COHEN of UNRRA near Frankfurt.

ANN REMINGTON contacted JUDY _____, District 7408, and asked her if she could meet her for lunch the following Tuesday. She advised JUDY that she was going to meet ELISHA LAHMAN.

On September 23, 1946, BILL REMINGTON contacted BOB JOHNSON and discussed the possibility of JOHNSON'S obtaining a job for ERNEST LACHS. REMINGTON advised JOHNSON that LACHS is a foreigner that "has only a few months to go" and that his leave runs out soon, so they must get him in some place in an agency still having funds to hire foreigners. BILL asked JOHNSON if he should call PETER FRANK, ROE RILEY or HUFF, whereupon JOHNSON told REMINGTON to hold off a while until he calls REMINGTON back tomorrow, as he thinks he can get LACHS on someplace. BILL advised JOHNSON that PETER FRANK does not know LACHS, but should be interested in him.

On September 29, 1946, ANN REMINGTON was contacted by an unknown woman and advised that the League is having a meeting at the Episcopal Parish House on Broad Street in Falls Church on October 10 at 8:00 P.M., and that she wants ANN to arrange a car pool in Tauxemont to get the people to the meeting. ANN advised this person that she could not attend the meeting, but that she would call the following people in her neighborhood:

Mrs. OBEROF,
 FEDERSON,
 MARGARET BROWN
 Mrs. DAVENPORT
 Mrs. SHUBACH

The following communication was delivered to subject REMINGTON, this information having been received through a mail cover placed on his residence:

From: Marjorie C. Moorehouse, Mission for Economic Affairs, Embassy of the United States of America, London, dated August 30, 1946.

The following information was obtained through Confidential Informant concerning the activities of subject REMINGTON from September 1 through September 15, 1946, inclusive:

On September 4, 1946, ~~WARD ALLEN~~ contacted REMINGTON and advised him that he is leaving for Michigan tomorrow on personal business and that he would not be driving to work for several days. BILL advised WARD that he would call WALTER about riding to work. Subsequently REMINGTON contacted ~~WALTER ALLEN~~ and advised him that ALLEN was not driving to work and that he, REMINGTON, would be driving in Friday and would make arrangements with WALTER. (u)

On September 5, 1946, ~~ANN REMINGTON~~ contacted a service company and informed them that they were going to move to a different place and she wanted some tanks moved. (u)

On September 5, 1946, BILL REMINGTON contacted ~~JOE PHILLIPS~~ and was advised by JOE that he had been listening to one of BILL'S old friends at Williams and named ~~FREDERICK SCHUMER~~, who was appearing on the Town Hall program. BILL and JOE discussed ~~OWR~~ business, which concerned a letter from TRUMAN to FLEMING regarding the Federal Works business, the political effects, and the War Department details on the Manhattan Project. (u)

On September 7, 1946, REMINGTON contacted HAROLD STEIN and inquired if JACK SKILL was going to see STEIN that day about the housing situation. BILL advised STEIN that he wanted to talk to him that day adding that he and JOE LOFTUS were going to work on the housing problems that day. BILL added that he had talked to BOB JOHNSON about it for several hours the night before. However, STEIN advised REMINGTON that it was early and he would see BILL about it Monday. (HAROLD STEIN is subject REDMONT'S immediate supervisor at the Office of War Mobilization Reconversion). (u)

On the same date REMINGTON contacted his wife ANN and advised her that he was going by to see BOB JOHNSON of the Civilian Production Administration before he is coming home. (u)

On September 8, 1946, ~~MERVIN TOBIAS~~ contacted REMINGTON and REMINGTON asked TOBIAS if his hearing had gone off yet and TOBIAS advised him that it had.

been postponed. (The hearing mentioned above is TOBIAS' hearing before the Civil Service Commission regarding his Communist affiliations). TOBIAS advised REMINGTON that WYATT had asked for another month because he, WYATT, was going to assign CRUTH to the case and CRUTH had been away. TOBIAS advised REMINGTON that he was providing his own lawyer inasmuch as he could not get WYATT to go all the way. TOBIAS' lawyer is MILTON FREEMAN of Arnold and Fortas. TOBIAS inquired if BILL had heard from TED - probably TED BLAISDELL.

During the conversation TOBIAS and REMINGTON discuss the inefficiencies and internal dissension in the housing administration. TOBIAS asked REMINGTON if BOB ASHER had left yet, whereupon REMINGTON advised him that he did not know but he knew ASHER was concerned about the return of TED BLAISDELL. REMINGTON asked TOBIAS what kind of a person BOB WILLIAMS was and TOBIAS replied that he did not think he had the ability for a deputy position, and that his biggest asset was his contacts.

On September 10, 1946, BILL REMINGTON advised his wife ANN that he was attending a meeting that night at LOU VELINSKY'S office and would probably not be home until late.

On September 13, 1946, JANE CLAUS contacted ANN REMINGTON and advised her that she, JANE, and JANE ELLENBER were doing some work for the A.V.C. and had to go to Alexandria to check some draft board records that morning.

On September 14, 1946, subject REMINGTON contacted FRED SEAL and asked if he was through with the copy of the article written by BAUER. FRED advised him that he was not but he would return it over the weekend. BILL said that he would borrow another copy from BAUER to give to BOB KLEIMAN.

The following is background information on RUFUS BURR SMITH:

[REDACTED]

Subject REMINGTON gave the following information concerning BURR to a Civil Service investigator inasmuch as REMINGTON was listed as a reference in SMITH'S application for employment with the State Department:

REMINGTON stated that he had known SMITH since February, 1942, when they both shared an office at the War Production Board and that they had worked together under ROBERT ~~W. THAN~~ in the Planning Division for several years. REMINGTON described SMITH as being one of the most outstanding young economists in the entire Government service, and that he is especially resourceful and ambitious, of excellent moral character, and a person whose loyalty to the democratic principles of our country had never been questioned. REMINGTON added that SMITH was on special assignment for the War Department in Japan from January, 1946, to June, 1946, but returned to the states due to the illness of his wife. REMINGTON stated that there were several other people who would speak very favorably of SMITH, namely, Mr. ~~HALE~~ of the Civilian Production Administration, JAMES ~~BLANKS~~ with Bob Nathan Associates, EDWIN ~~MARTIN~~, State Department, and RALPH ~~HETZEL~~, a CIO official. (u)

The following is background information on MERVYN ~~ROBIAS~~, a contact of subject REMINGTON:

[REDACTED]

The following is background information on ~~PORTER~~ ~~McKEEVER~~, who was mentioned in a conversation between ANN REMINGTON and ~~BOB~~ ~~LEHMAN~~ on August 14, 1946.

• PENNINGTON, WILLIAM WALTER

[REDACTED]

This investigation was conducted by Special Agent V. W. HUGHES.

NEAL first came to attention in this case when Informant [REDACTED] reported there were numerous contacts between Mr. and Mrs. NEAL and BILL and ANN REMINGTON, BILL REMINGTON being a subject in the GREGORY Case.

[REDACTED] reported that on January 2, 1946, VIRGINIA NEAL called ANN REMINGTON and advised her that she was expecting FRED to call from Seattle momentarily. When he comes back they may go to Florida.

On January 7, 1946, VIRGINIA NEAL invited BILL and ANN REMINGTON to supper on Sunday Evening, on the occasion of FRED's arrival back in Washington. VIRGINIA made reference to the Institute or School for Russian Studies. She said that PEGGY and OLLIE WEBB are going to the Institute.

On January 12, 1946, ANN REMINGTON called VIRGINIA NEAL and ascertained that FRED has finally arrived home. VIRGINIA said that she was expecting a big crowd for her dinner that evening and that everything was all set. BILL REMINGTON stated that the LEHMANs are back. VIRGINIA said that FRED had a rough trip in a small boat which was almost sunk by a mine.

[REDACTED] stated that on January 12th, an unknown woman called ANN REMINGTON and advised that she and her husband will pick up the REMINGTONs that evening in order to go to the NEALs dinner. [REDACTED] stated that the unknown woman is probably Mrs. MAGNUSSON.

On January 22, BILL REMINGTON called for FRED NEAL, but he was advised that NEAL left for Florida the previous day and would be gone for two weeks.

On February 24th, FRED NEAL spoke to BILL REMINGTON and stated he is now located at 409 North Thomas Street, Buckingham, telephone Chestnut 7696. FRED said he expects to get out of the Navy early next week. He doesn't have a job yet. BILL asked if FRED was going to Moscow when he gets out of the Navy and FRED stated that looks pretty remote now, adding, "I had a conversation in Russian this afternoon with some Russians I know down there. First long detailed conversation since I got back, and I find I get rusty awfully fast." FRED said if he did work for the Government, he would like to work somewhere where he could do something with Russian economics.

On March 18th, ANN REMINGTON spoke to VIRGINIA NEAL and said she was sorry to have missed VIRGINIA at the BARNES' the other night. VIRGINIA said FRED may go to Moscow with the Government. They will decide this week. She stated that the Bureau of the Budget interests FRED also.

On March 26th, ANN RE.INGTON spoke to VIRGINIA NEAL to confirm their date. VIRGINIA asked ANN to make it about 7:30, and added that SONIA and BOB KLEINMAN were coming. ANN said, "Maybe we can talk some Russky".

On April 28th, Informant [REDACTED] advised that a person whom he believed to be TISH LEHEAN, called ANN RE.INGTON, and TISH said FRED and VIRGINIA NEAL got in. FRED had been out with the Russians, interpreting for them, and he and his wife went to a party at the Russian Embassy. TISH said FRED was going to work at the State Department.

On May 27th, VIRGINIA NEAL advised ANN RE.INGTON that she had not heard from FRED and that he is still "tied up out there". VIRGINIA told ANN that the Ladies Home Journal called and asked her to take an assignment and consequently, she won't be able to see ANN when planned.

On June 29th, VIRGINIA NEAL called ANN RE.INGTON, who said it will be ok with them for Wednesday, if they can bring her brother CARL, who will be here. VIRGINIA agreed and said that KILPATRICKS and the SHARPS are coming.

The following information was obtained through Confidential Informant [redacted] concerning the activities of subject REMINGTON from August 1 through August 31, 1946, inclusive:

On August 1, 1946, ANN REMINGTON contacted JANE ~~WELLEMAYER~~ and invited her to dinner on the same date, advising her that BURR SMITH was there. ANN advised JANE that SMITH just returned from Japan and she thinks JANE'S husband, FLETCHER, had met SMITH while the two were in Japan. (J)

On August 2, 1946, BURR ~~SMITH~~, whose full name is RUFUS BURR ~~SMITH~~, contacted a government agency and talked to a person by the name of ED, and SMITH asked ED if there had been any developments on the rush job at the State Department whereupon ED informed him that there had not been. Later on the same date SMITH contacted the National Housing Agency and requested the extension of ADOLF ~~GOLDEN-THALL~~. (V)

On August 2, 1946, BILL REMINGTON contacted his wife and they discussed a party which is to be held at the D. VENPORTS the following night and ANN asked BILL if there was not some way they could get out of going inasmuch as there will

be some old "fogies" there and she named MARCUS GOLDMAN and the MARUENS. BILL advised ANN that he wanted to see ED WARREN so that they will go to the party.

On August 4, 1946, ARTHUR BROWN contacted BILL REMINGTON'S home regarding REMINGTONS' square dance party which was to be held that evening and BROWN told BILL that inasmuch as he had to read a discussion on international control of atomic energy in Washington on Tuesday, that he would not be able to attend the party but his wife, MARGARET, would be over.

On the same date ANN REMINGTON contacted several people introducing herself as ANN REMINGTON of the League of Women Voters and urged people contacted to go to the polls tomorrow and she referred to the people contacted that they had paid their poll tax, which indicated that she might have had access to the poll tax list.

On August 11, 1946, BOB LEHMAN contacted BILL REMINGTON and advised that ELISSA, his wife, had just returned from Pennsylvania. He also stated that GOLDBERGER, War Assets Administration, had contacted him on Sunday. BOB advised BILL that he had a chance for a job in the State Department in the Public Liaison Division, adding that they wanted an economist to write their economic stuff for magazines, the radio, speeches, etc. He also stated that apparently WILCOX'S boys

had been griping because there was no one in the State Department to write their stuff and make it come out the way they intended it to. They further discussed the dissension in the ranks of the War Assets Administration and the security of a permanent Civil Service status at the State Department and came to the conclusion that the State Department would be the best place for BOB.

On August 14, 1946, MERVIN TOBIAS contacted BILL REMINGTON and advised BILL that he had received a letter from TED BLAISDELL and thought BILL would like to know about it. He stated that TED is getting tired of his work in Europe, that he wants to come back home. He added that TED'S analysis of the situation in Europe is that any positive work that the N.E.A. could have done in the way of working out international economic relations in Europe is stymied by the fact that the prevailing thought in the State Department is along the lines of the international trade organization, therefore they are doing nothing waiting for the organization to meet and discuss ways of wishing away trade barriers. BILL advised TED that he would start looking around for a job for TED but he didn't think it would be anything at present that would interest him.

TOBIAS and REMINGTON then went into a long discussion about TOBIAS' job which indicated that TOBIAS is going to have a hearing before the Civil Service Commission regarding his Communistic leanings. It seems that TOBIAS has had Senator TAYLOR from Idaho contact MITCHELL, who is head of the Commission, and JACKSON of Washington also called MITCHELL regarding TOBIAS. REMINGTON advised TOBIAS that he would intervene for him with WYATT when WYATT returns to town.

On August 20, 1946, TOBIAS again contacted REMINGTON and advised BILL not to mention him to WYATT inasmuch as SEEVY had discussed this matter already with WYATT and TOBIAS figured that it would be best to drop it there and wait until PHIL COOMBS gets back. In a further discussion between TOBIAS and REMINGTON TOBIAS advised BILL that he did not see any reason why the agency could not go the whole way because WYATT is no more incriminated in sending a representative of his in keeping TOBIAS on the payroll than he would be if he actually assigned a lawyer to TOBIAS. TOBIAS advised that if he loses the case WYATT is really incriminated because he has had a "red" fired from his payroll. TOBIAS' hearing is to be on September 6, 1946. BILL advised TOBEY that he "for example had been investigated by every agency in town and he just nicked by by the skin of my teeth. I think I'm all right but I don't know where I stand now."

They discussed BOB SCHER and advised that BOB had had his difficulties and the latest one was when he went over with Lend-Lease and that "Stettinius had to get him out of that one."

On August 15, 1946, when ANN REMINGTON contacted subject, ANN was advised by BILL that he had a date with IRVING SVERDLOW that evening at 9:30 p.m., advising her that IRVING is leaving possibly Sunday or Monday for London and that

he had promised to carry a camera to TED BLAISDELL (13)

On August 19, 1946, BILL REMINGTON contacted BERNIE NORTMAN at Falls Church 2508-7. BERNIE advised REMINGTON that he was now at the State Department and that he has a very nice job in the Economic Development doing work consisting of financial development on loans to foreign countries. BERNIE asked BILL if he knew VAN CLEVELAND and BILL replied that he did not. BERNIE advised BILL that his boss was in London with LUBIN on the subcommittee of the United Nations and advised that TOM had been appointed deputy associate on it and he thought that this might interest him. The TOM referred to is probably TOM BLAISDELL. BILL asked BERNIE if he wanted to apply for a teaching job at Williams College and BERNIE inquired as to the salary and when advised that it was \$3500 for two terms BERNIE said that he could not possibly live on that. BILL asked BERNIE if he knew where MAYNARD GERTLER was at the present time. BERNIE said he did not know but he had heard that he was in desperate need of a job and added that he is one of the few people who have not been placed. BERNIE also stated that MAYNARD'S wife works at the Department of Interior and that her name is ANN GERTLER. (U)

On August 20, 1946, BILL REMINGTON contacted FRED NEAL and advised him that MIKE ROTATKIS was in town from Bulgaria and that he was one of the three American representatives on the control commission for the last seven or eight months. He added that MIKE is full of stories that are "more gruesome than yours in Siberia." REMINGTON made a date with FRED for lunch on August 21, 1946.

On August 26, 1946, ANN REMINGTON contacted BILL REMINGTON to advise him that BURN SMITH was coming tonight and asked BILL to come home early if possible. They also discussed JOHN RUSSELL (son of BERTRAM D. RUSSELL) and SUSAN LINDSAY. On the same date ANN REMINGTON contacted the Washington Post and inquired as to how she could reach JOHN RUSSELL and SUE LINDSAY, and the City Editor suggested that she call the British Embassy for JOHN RUSSELL. On the same date ANN REMINGTON contacted the British Embassy and asked for the telephone number of JOHN RUSSELL, who is a Sub-Lieutenant in the British Admiralty Delegation, and she was advised he could be reached at REpublic 7400, Extension 63174. (U)

On August 27, 1946, FRANCIS HOAG contacted BILL REMINGTON and advised that he, HOAG, was DON MILLER'S brother-in-law and that DONALD and KAHN were going to be in Washington over the weekend and that they were going to have a party at 2721 N Street, N. W. on Saturday at 8:30 p.m. and invited the REMINGTONS over, whereupon BILL agreed to come. However, on August 30, 1946, REMINGTON contacted DON MILLER and advised him that he would not be able to attend the party on Saturday night but would come to see DON on Friday evening. Enroute to 2721 N Street, N. W. REMINGTON became lost and called MILLER, and MILLER advised him that they were right around the corner from BLAISDELL and "you will see our car parked out front with New Jersey license plates." A surveillance reflects that the car bearing New Jersey license plates FB-68-H N J was parked in front of 2721 N Street, N. W. on August 31, 1946. (U)
